

Preamble

The 1st International Seminar on Agri-Food and Industrial Biotechnology (ISAFT) which will take place on June 26-27, 2024 aims to provide an image of food sciences and food safety, as well as the evolution of industrial Biotechnology. This scientific event is intended for teachers, researchers, doctoral students and industrialists in order to present their research activities and to strengthen relations between universities and industries.

Agri-Food is a sector of activity ranging from Agricultural production to foodstuffs produced from natural resources and industrial technics. This area encompasses the phases of processing, conservation and marketing of products located between the Agricultural stage and that of consumption.

Industrial Biotechnology plays an important role in food processing, nutritional value, food quality, means of transport, preservation method, hygiene...etc. The themes chosen for this day are capital importance for human.

IMPORTANT DATES

- ✓ **Deadline for receipt of abstract**
June 13th, 2024
- ✓ **Notification of acceptances**
June 20th, 2024
- ✓ **Final program**
June 23rd, 2024

RECOMMENDATIONS

- The duration of oral communication is 10-12 min.
- Only one communication will be accepted per author.

Participation fees:

Doctoral student : 2000 Da
Teacher / Researcher : 4000 Da
Industrialist : 10.000 Da

BIOTECHNOLOGY

President : Dr Zoheir AMROUCHE

International Hybrid Congress

(In face-to-face / Online)

June 26 - 27, 2024

Honorary President

Pr. Mohammed Echikh Berrabah
Rector of Khemis Miliana university - Algeria.

Pr. Mohamed Lazali *Dean of the Faculty*

Chairman of the International Seminar

Dr. Zoheir AMROUCHE

Scientific committee

Members

Pr. Hassiba Laribi-Habchi (U. Blida 1)	Algérie
Pr. Bouanane Amel (USTHB)	Algérie
Pr. Farida Nateche (USTHB)	Algérie
Pr. Djamel El Hadi (U. Blida 1)	Algérie
Pr. Karima Yahiaoui (UMB Boumerdes)	Algérie
Pr. Zoubir Benmaamar (U. Blida 1)	Algérie
Pr. Vincenzo Longo (U. IBBA)	Italie
Pr. Marie Laure Fauconnier (U. liège)	Belgique
Pr. Bassem Jaouadi (U. Sfax)	Tunisie
Pr. Habil Maria Loredana Soran (C. Cluj Napoca)	Romania
Dr. Barika Abakoura (U. Mongo)	Tchad
Dr. Just Yamonika (U. Goma)	Congo
Dr. Nguyen Thi Thu Hien (U. Hanoi)	Vietnam
Dr. Nguyen Huu Thanh (U. An giang)	Vietnam
Dr. Rachid Achek (U. Khemis Miliana)	Algérie
Dr. Lakhdar Mansouri (U. tebessa)	Algérie
Dr. Miliani Djeddar (U. Khemis Miliana)	Algérie
Dr. Khelifa Bouacem (UMM. Tizi ouzou)	Algérie
Dr. Abdenour Ait Ouazou (U. d'Alger 1)	Algérie
Dr. Tahar Karahacane (U. Khemis Miliana)	Algérie
Dr. Mohamed Amine Marok (U. Khemis Miliana)	Algérie
Dr. Djahida Nabti (U. Khemis Miliana)	Algérie
Dr. Chahrazed Benzaid (U. Annaba)	Algérie

Topics

1. Agri-Food and Valorization of by products
2. Industrial Biotechnology
3. Biotechnology & Health
4. Food Safety
